

Becky Linhart leads The Rotary Club Marblehead Harbor Enhanced Scholarship Fund. Becky is committed to helping people achieve their dreams and a tireless leader for our organization. The committee recognized an unanswered need in our community and worked to set up our 2nd Chance Scholarship, which assists those in our community that may need additional education in order to advance their careers.

“I am honored to lead Marblehead Scholarship to support education and continuing education,” said Becky. “These scholarships allow our local students to attend colleges that may have been out of their reach and help our residents to continue learning to help advance their careers. Education is the key that opens the door to a happy and successful life.”

Becky has been dedicated to supporting others her whole life. She is a past President of the Rotary Club of Marblehead Harbor, Treasurer of Glen Urquhart School, and has served the town of Essex, MA in various positions.

She is currently a member, and past Treasurer, of The Boston Club, an organization dedicated to advancing women in leadership.

Becky earned a graduate certificate in Management from Harvard University and a Bachelor of Science degree in Psychology from Roanoke College. She co-founded Sharp and Linhart Financial Strategies in 2006 and has been guiding people through life’s transitions ever since.

Becky is a passionate sailor and served as a Board member of Sisters Under Sail, an organization dedicated to teaching teen girl’s leadership skills through a sailing program on tall ships. If you are local, you may see her out on the water at the helm of “Mistral Trio”.
